Fissile Materials Bibliography

Compiled by Katie Crane, Scott Cantor & Haynes Cooney

Overview

Acronym Institute Online. www.gn.apc.org/acronym

Provides links to information regarding nuclear policies with updates on the negotiations. The Institute publishes CD reports as well as Disarmament Diplomacy.

Arms Control Today Online. www.armscontrol.org/ACT/act.html

Contains an archive of all recent editions of Arms Control Today, indexed according to authors, subject and date.

Coalition to Reduce Nuclear Danger. www.clw.org/pub/clw/coalition/index.html

This comprehensive site contains press releases, issue briefs and links to other sites, all pertaining to nuclear non-proliferation.

Katie Crane is a student at Davidson College (North Carolina), majoring in Political Science and English. Scott Cantor is majoring in International Studies at Emory University (Georgia). Haynes Cooney is a student at Williams College (Massachusetts). All three students have recently undertaken internships at UNIDIR.
